The Neighbors of Fountain View Manor Memory Care have had a busy few months since the last news letter. We celebrated Father's Day, Watched Cardinals Games, Had a Fourth of July Party, Took a few trips out to the community, Went to Eckert's Orchard, and Had a summer blow out part with a luau. A lot of fun activities have occurred. We restarted the exercise program. And with the addition to many new neighbors in our community we began having our activities in the main living room. We rearranged some furniture to accommodate the large number of neighbors we have. We added some tables and it is a spacious community room. We are planning big things in the month of September. The month will start with Lynn Wellman the music man to play some tunes on the piano. We plan on taking some trips up the scenic river road and a trip across the Brussels ferry. We will begin decorating for fall. We have Bob Tyler playing some upbeat tunes for our enjoyment. The best of all is a Grandparents day Celebration on September 12 at 2pm. We are going to honor our grandparents for all of their love and support.

Something New.....

The Fountain View Manor will be holding a resident council meeting for the residents of Fountain View Manor. This will give the residents an opportunity to vote for a council, make decisions on activities, trips, parties, and fun things for the community at Fountain View. The residents will be given a voting sheet and a signup sheet to be on the council. Once the first meeting is held we will be holding elections for executive positions. The residents will get an opportunity to hold an election and promote their ability to be on the council. This will be an exciting new thing at Fountain View Manor.
