An Exceptional Experience

At Crescent Landing at Santa Ana Memory Care, residents enjoy an active, engaging lifestyle that promotes wellness and independence. It is our goal to keep our residents linked to resources and opportunities that fulfill their needs and interests. Residents have opportunities every day to participate in a variety of life-enriching activities and events designed to stimulate the mind, body and soul.

We understand how dealing with Alzheimer's Disease or other related forms of dementia may be very distressing. At our communities, we create a bond with each resident and their loved ones by crafting a personalized program to fit any lifestyle.

Life-Enriching Connections

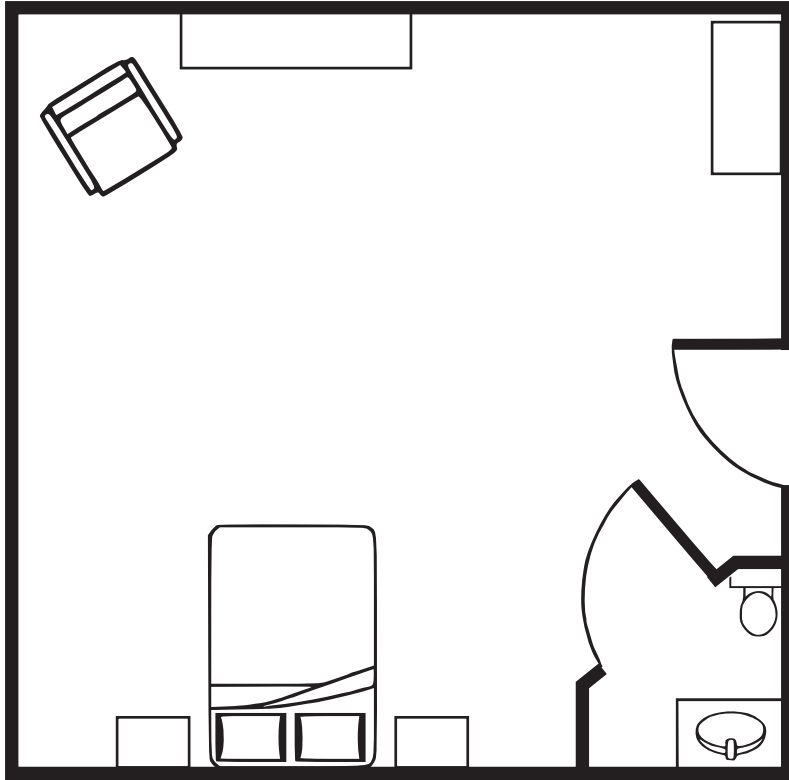

SPARK™, our unique and award-winning lifestyle approach, engages residents with individualized life enrichment programming. With SPARK™, residents are encouraged to do what they are able, historical knowledge is celebrated and acknowledged, and new abilities are recognized and utilized. SPARK™ aims to embrace each individual as they are today and to celebrate the successes that come.

If you are seeking a positive approach where residents are doing more than you would expect, where residents find a sense of belonging and meaning, and where loved ones are happy to visit, then you have found the right place!
